

# PAÇO DOS INFANTES GARRAFEIRA WHITE 2019

VINUM WINE COMPETITION  
BEST OF PORTUGAL

**TERROIR:** Located in the sub-region of Vidigueira, Herdade da Lisboa, these lands, stretching between Ribeira de Selminhos and Ribeira do Freixo, are protected to the north by the Serra do Mendro. Courtesy of this natural barrier, the fresh winds blowing in from the Atlantic Ocean bring high daily temperature ranges and allow the grapes to ripen perfectly and evenly. The combination of this local Mediterranean climate and the strong predominance of schist and granite soils provide unique conditions for producing fresh and elegant wines, characterised by minerality in the case of the whites and by the purity of the fruit and ageing capacity of the reds.

**VARIETIES:** 70% Arinto, 30% Alvarinho.

**HARVEST:** Manual harvest for 12kg boxes during the early hours of the morning, held in August.

**VINIFICATION:** Cooling of grapes in a refrigerated chamber at 10°C for 24 hours. Manual selection on a vibrating sorting table, followed by destemming and light crushing. 48-hours of tanning in a stainless steel press at 16°C. Individual fermentation of each variety in new 500L French oak barrels in cellars with controlled temperatures. Following the alcoholic fermentation process, the wine is then aged for eight months on fine lees (sur lies) with periodic battônages. Aged for another 18-months in the bottle.

**TASTING NOTES:** Greenish yellow in colour. The aroma is very rich, with ripe fruit, mineral matrix and smoked wood in the background. To the mouth, there is remarkable precision, excellent in the volume, tension, structure and acidity that ensure good progression in the bottle.

**WINEMAKERS:** Ricardo Xarepe Silva / António Selas

**HARMONIZATION:** Ideal with rich fish and seafood dishes. Perfect accompaniment to various cod dishes and soft cheeses.

**CAPACITY:** 75cl, 150cl.
