

# PAÇO DOS INFANTES WHITE RESERVE 2020

**TERROIR:** The Vidigueira sub-region is protected to the north by the Serra do Mendro. This natural barrier from the cool Atlantic winds gives rise to daily high thermal amplitudes providing ideal conditions for a balanced ripening of grapes. The combination of this local Mediterranean climate and predominantly schist soils, results in the production of quality wines. Herdade da Lisboa, located in the heart of this sub-region, is situated between Ribeira de Selinhos to the East, and Ribeira do Freixo, to the West, where and even richer soil abounds. This results in the perfect combination of unique conditions for the production of elegant and fresh wines, marked by minerality, for the whites, and by purity of the fruit and longevity of the reds.
